GDC Technology wins Stevie® Awards in 2013 International Business AwardsSM

Hong Kong (August 22, 2013) – GDC Technology Limited (“GDC Technology”), a world leading digital cinema solutions provider, is pleased to announce today that it was named the winner of a Gold Stevie® Award in recognition as Company of the Year for Manufacturing and a Silver Stevie® Award in recognition for the Best New Product or Service of the Year in Business to Business Products at The 10th Annual International Business Awards.

The International Business Awards are the world’s premier business awards program. Individuals and organizations across the world are eligible to submit nominations, resulting in more than 3,300 nominations. The 2013 International Business Awards program received entries from more than 50 countries.

GDC Technology won a Gold Stevie® Award in recognition as Company of the Year for Manufacturing and a Silver Stevie® Award in recognition for the Best New Product or Service of the Year in the Business-to-Business Products category, for its innovation of digital cinema products, namely, the SX-3000 Integrated Media Block and the PSD-3000 Portable Storage Device.

Stevie Award winners were selected by more than 250 executives worldwide who participated in the judging process this year. Judging criteria is based on the overall quality of each entry and the merits of the claims to innovation, integrity, growth, as well as other factors, relative to the judges' experience.

“We are proud to have received both a Gold and a Silver Stevie Award for our achievements in two very crucial and highly competitive categories. This is the first time that these Stevie Awards have been awarded to a digital cinema product manufacturer in recognition of GDC’s efforts in designing and producing innovative digital cinema products. Our product design team is honored and the awards further encourage us to continue developing state-of-the-art products” said Dr. Man-Nang Chong, founder and CEO of GDC Technology.
